

Conference Forum

“Metal-2007: Management, Production, Trade, and Consumption

Conference A: Current Development Problems in Ukrainian Mining & Metallurgical Industry

Conference B: The Raw Materials Base of the Metallurgical Complex: The Current State and Outlooks

Conference C: Domestic Market of Metal Products: Current Situation, Development Problems, and Prospects

Conference D: Innovative Technologies and Equipment for Mining and Metallurgical Industry

Conference E: Up-to-date Technologies in Hardware Production

Conference A:

Current Development Problems in Ukrainian Mining and Metallurgical Industry

Date and venue: October 18, KievExpoPlaza Exhibition Center

Organizers: Derzhzovnishinform, Metallurgprom Union

Partners: Mini Steel Mill ISTIL (Ukraine) CJSC, Ernst & Young LLC, CJSC Deloitte & Touche USC

18 participants of the Conference, including representatives of state bodies, industrial associations, scientific institutions, and enterprises delivered reports at the Conference.

Participants of the conference actively discussed information presented by speakers at the conference. The following topics raised special attention for discussing:

- Distinctive features in state regulation of metallurgy
- Current priorities in development of Ukrainian metallurgy: modernization and energy saving
- Development of Ukrainian metal corporations (financing, investments)
- Environmental background of metallurgical business development in Ukraine (impact of Kyoto protocol on development of domestic metallurgy)

The conference welcomed around 120 delegates of mining, metallurgical as well as related industries from Ukraine and abroad. Foreign participants of the Conference represented Germany, Austria, the Netherlands, Spain, Slovenia, Switzerland, Serbia, Armenia, France, and the USA.

Conference B:

The Raw Materials Base of the Metallurgical Complex: The Current State and Outlooks

Date and venue: October 18, KievExpoPlaza Exhibition Center

Organizers: Derzhzovnishinform

Partners: 3 Com production and commercial company LLC

19 participants of the Conference, including representatives of state bodies, industrial associations, scientific institutions, and enterprises delivered reports at the Conference.

Topics of reports:

- Current state and development outlooks of Ukraine's raw materials base for providing of mining and metallurgical industry of Ukraine
- Prospects of global resource market of mining and metallurgical industry and its influence on Ukraine;
- Ukrainian market of iron ore raw stock, coking coal, cast iron, scrap, ferroalloys, aluminum, and titanium.

The conference welcomed around 60 delegates of mining and metallurgical operators from Ukraine and abroad. Foreign participants of the Conference represented Germany, Russia, and Pakistan.

Conference C:

Domestic Market of Metal Products: Current Situation, Development Problems and Prospects

Date and venue: October 19, KievExpoPlaza Exhibition Center
Organizers: Derzhzovnishinform, Ukrainian Association of Metal Traders
Partners: CJSC Deloitte & Touche USC

19 participants of the Conference, including representatives of state bodies, industrial associations, scientific institutions, and enterprises delivered reports at the Conference.

The Conference was devoted to discussing current problems of interacting between metal producers, sellers, and consumers. The participants also discussed possible solutions and issues related to dynamic development of rolled metal consumption in Ukraine, market structure transformations, as well as development of metal marketing and sales systems in the country.

The conference disclosed key market operators' approach to domestic market performance; participants analyzed tendencies of development in the main market segments and get description of current situation and development prospects for metal consuming industries. Attention was also paid to the issues of financial support to Ukrainian metal market.

Participants of the conference actively discussed information presented by speakers at the conference. The following topics raised special attention for discussing:

- Global steel market conjuncture and marketing policy of Ukrainian companies at the domestic market.
- Current state of internal market and its development prospects.
- Import to the Ukrainian market in the light of dynamics development of metal consumption.
- Financial component of domestic metal market development.

The conference welcomed around 120 delegates of metal trading companies from Ukraine and abroad. Foreign participants of the Conference represented Germany, Austria, Spain, Switzerland, Russian Federation, and the USA.

Conference D:

Innovative Technologies and Equipment for Mining and Metallurgical Industry

Date and venue: October 19, KievExpoPlaza Exhibition Center
Organizers: Derzhzovnishinform, Metallurgprom Union, Donix Scientific and Production Union

The Conference was held as presentations by companies – producers of equipment for mining and metallurgical industry. The reports were presented by:

Universal Service, LLC

- Special equipment for scrap-processing industry from world leader – Sennebogen Company

Donix Scientific and Production Union

- Engineering heat emission models for automated control systems with systems of flat metal forced cooling.
- From mechanism management to production management.
- New solutions for section rolling production technologies

LASCO Umformtechnik GmbH (Germany)

- Presses for metal forming. Automated solutions for the forging industry.

The Conference reports are published in Russian on “Results of the Metal-Forum of Ukraine – 2007” CD.

Speakers of the Conference Forum 2007

Conference A "Current development problems of Ukrainian mining and metallurgical industry"

Dmytro Kolesnikov, First Deputy Minister, Ministry of Industrial Policy of Ukraine
Valeriy M. Geyets, Director, Institute of Economy and Forecasting, National Science Academy of Ukraine
Igor V. Burakovskiy, Director, Institute of Economic Research & Political Consulting
Alexander S. Khobta, Chief Engineer, OJSC Alchevsk Iron & Steel Works
Hashim Said Raza, Deputy Chairman, Executive Director, Mini Steel Mill ISTIL (Ukraine)
Sergey G. Grischenko, Ukrainian Association of Ferrous Metallurgy Enterprises
V. Granovskiy, Ukrainian Association of Ferrous Metallurgy Enterprises
Dmitriy V. Stalinskiy, Director, Energostal Ukrainian State Science & Technology Center
Yuriy K. Poludennyi, Deputy Director General, CJSC Systema
Grigoriy G. Shepel, Director of Scientific Research Tube Institute state enterprise
Aaron Johnson, partner, transaction support leader, Ernst & Young LLC
Alexander Kurdydyk, partner, DLA Piper Ukraine LLC
Mark Wainwriter, CJSC Deloitte & Touche USC
Alexey N. Zadorozhnyi, Deputy Director, Department of Taxation, State Tax Administration of Ukraine
Sviatoslav S. Kurulenko, First Deputy Minister, Ministry of Environmental Protection of Ukraine
Vitaliy G. Nakhlyupin, Chairman, National Agency of Environmental Investments
Stepan Yu. Dudarev, Advisor to the Chairman, National Agency of Environmental Investments
Viktor V. Lesovoy, President, EcoMet Association and Deputy Director of MetallurgProm
Vitaliy Yu. Spirin, Energostal, Ukrainian State Science & Technology Center
Erik Saat, Director, Global Carbon Bv

Conference B "Raw materials base of metallurgical complex: the current state and outlooks"

(The market of iron ore raw materials, coke, cast iron, scrap, and ferroalloys)

Leonid S. Galetskiy, Head of Department, Geology Institute, National Science Academy of Ukraine
Aleksey Ye. Gritsina, Deputy Director, KrivbassProject State Institute of Engineering Mining and Ore Industrial Enterprises
Evgeniy T. Kovalyov, Director, UKhIN Ukrainian State R&D Institute of Carbochemistry
Colin Gubbins, Chief Financial Executive, The McCloskey Group
Anatoliy G. Starovoyt, Director General, UkrKoks Ukrainian Coke Production Association
Alexander A. Sheiko, Department Head, Derzhzovnishinform
Valentin A. Kulichenko, President, UAVtormet Ukrainian Metal Scrap Association
Sergey L. Kudriavtsev, Executive Director, UkrFA Ukrainian Association of Ferroalloys Producers
Nikolay V. Gizenko, Director General, UkrTsvetMet Ukrainian Non-Ferrous Metals Concern
Alexander V. Plotnikov, Pro-rector for science work, Krivoy Rog Economic Institute
Elena A. Remezova, Doctor's Degree Applicant, Institute of Geological Science under the National Science Academy of Ukraine
Representative of the Ministry of Transport and Communication of Ukraine

Conference C "Domestic market of metal products: current situation, development problems, outlooks"

Valeriy P. Stasyuk, Moderator, Deputy Sales Director for Integration, LLC Metinvest Holding
Vladimir Pikovskiy, Deputy Director, Derzhzovnishinform
Joachim Schroeder, Director General, Research & Consulting Group AG (Switzerland)
Sergey Kovalenko, Marketing Bureau Head, OJSC Ilyich Iron & Steel Works of Mariupol
Ramachandran Venkataramana, Marketing & Sales Chief Executive, OJSC ArcelorMittal Kryviy Rih

Vladimir Litvin, Director for Sales and Foreign Trade, JSC Zaporizhstal
Akshaya Gujral, Marketing Manager, OJSC ArcelorMittal Kryviy Rih
Anton Zarpin, Expert-Analyst at marketing department, OJSC Ilyich Iron & Steel Works of Mariupol
Gennadiy Redko, Sales Bureau Head, OJSC Dneprospetsstal
Leonid Ksaverchuk, Director General, UkrTruboProm (Ukrainian Tube Industry) Association
Andrey Fedoseyev, President, Ukrainian Association of Metal Traders
Oleg Olshanskiy, Director General, LLC Leman-Ukraine
Nikolay Boychenko, Director General, LLC Ukrainian Metallurgical Company (UGMK)
Anton Dobrovolskiy, Commercial Director, CJSC Zaporozhye Car Making Plant
Sergey Grabar, Executive Director, Ukrainian Construction Association
Dmitriy Breslavskiy, Faculty Dean, Kharkov Polytechnical University
Alexander Siryk, DerzhZovnishInform
Dmitriy Sofronov, Marketing Department Director, TPK
Nikolay Anashkov, Head of Market Conjecture Department, OJSC Magnitogorsk Iron & Steel Works
Igor Gutorov, Project Manager, JV Severstal-Ukraine
Ralf Bekker, Director, Peiner Traeger GmbH
Alexander Larionov, First Deputy Director General, OJSC Inprom (Russia)
Alexander Sokolenko, Senior Consultant of Financial Management Practice, Apple Consulting
Alexander Barinov, Senior Manager, CJSC Deloitte & Touche USC
